With eight Seniors, three of which were returning lettermen and two lettermen of the junior class, we didn't have quite the season we thought we would — Although the games with Richland and Westmont were near Indian victory at the sound of the final buzzer.

Our ending record was 1-7-1, with Windber seeing our only victory, and Conemaugh Valley our only tie. But, Conemaugh Valley couldn't see anything the night of September 12, the date on which the football game was originally scheduled. The lighting system at our stadium wouldn't work; and therefore, the date of the game was moved to Saturday afternoon, September 13.

The weatherman gave us full cooperation this year, which made for good playing conditions, and though our football team didn't have a winning season, they played a good season!!

The Girls Basketball Team suffered a disappointing season with the lack of experience and no senior members on the squad. They ended up with a 5-16 season record. However, with Angela Golob and Pam Direnzo in the Top 10 County Scorers, they have a good outlook for the future. The team also holds the year's record for giving up a low of 16 points in one game.

The season got off to a worried start having only seven girls out for the team. They went on recruiting and gradually built to 11, ending with 9.

At the end of the season the team traveled to Bishop McCort for the first Crusher Classic and came in fourth, thus ending the year with a hopeful look towards next year's season.

COACHES: Mr. Scott Cable, Miss Evelyn Pelesky, and Mr. Dave Pristas.

In the 1980 season the C.T. Harriers proved to be small in number as well as size. Although there were three returning seniors, they had to depend on junior Terry Croyle to pull them through. The Harriers were able to defeat McConnellsburg with a score of 29-18. Terry Croyle, our dependable junior, then went on to capture 12th in the state meet.

Cagers Drive For Winning Season

The varsity cagers tipped off their season with a trip to UPJ for the Mountain Cat Tournament. The Indians walked away with third place, and Paul Baer was named to the All Tourney Team. Over the holidays the tribe participated in the Boswell Christmas Tournament. Gerard Donahue was named to its all tourney team, and the fighting Indians brought home a hard earned second place trophy. The team began the new year with a loss to Shade but came back to win 9 out of their next 12 games, ending the season with a 15-9 record and a 10-6 league record.

Come on Paul, your mom and dad are watching!

Don't worry, Gerard, I can't reach it either.

Great form Chris, now just shoot the ball!

You're right, Bobby. Your arm is longer than mine.

This year's wrestling team is one of special content. These teammates had it all — great attitudes, a good season, and strong friendships. The varsity record was 11-4. In the Conemaugh Township Holiday Tournament, our team placed 2nd with 9 place winners. They traveled to the Chambersburg Tournament placing 4th with 10 place winners. This year was also productive in record breakings. A total of 21 school records were broken and 3 career records were surpassed. But the highlight of the season was their 2nd place in districts, missing 1st place by only 1 1/2 points. Placing 3rd at districts was Scott Shroyer, Ken Szala, Doug Pavlosky, Jim Garlesky, and Dan Glessner. Taking 2nd place were Grant Weaver, Rick Rhodes, and Dave Levadnuk; thus giving us 8 regional qualifiers. Coach Koba and his team can be proud of their accomplishments.

Ken Szala, with a 22-2-1 season record, shows great potential for the future. In only his Sophomore year, Ken has already broken the record for the most career falls. Along with that outstanding accomplishment, he also broke the team record for the most wins in one year. Congratulations Kenny!

Volleyball Team Splits Season

The Varsity Girls Volleyball Team tied their best record this year with a season of 7 wins and 7 losses. Their best game of the season was the Forest Hills game, beating the Rangers who went on to become the district champions. Next year the girls have a head start, only losing one senior. The JV squad had a rough season of 12 losses and 3 wins. This could be due to the fact that the girls were very new to the sport this year. Next year will be the year to watch for girls volleyball.

Track Summary

The 1980-81 Track team had a record of 5 wins and 4 losses. The team placed 4th out of 16 in the Mountain Conference Relays (the highest finish ever). The team also placed second in the Somerset County Meet and captured 4th in the District 5 meet with 14 teams present.

The most outstanding senior was Bill Helsel. He placed first in the 110 m., high hurdles, and the 300 m. intermediate hurdles in the Somerset County Meet, and first in the 1600 m. medley in the Mountain Conference Meet. Terry Croyle proved himself once again to be a dependable star member of the team. He was able to win two first places in the Mountain Conference in the 1600 m. medley relay and 1600 m. run. He then ran on to win first in the 1600 m. run, 3200 m. run in the Somerset County Meet. Finally he raced on to victory winning first in the 800 m., 1600 m., and the 3200 m. runs in the District 5 meet. He also was undefeated in the 1600 and 3200 m. runs in Dual Meet Competition and broke the team scoring record for a single season with 242 pts.

Rotary Sponsors Exchange Student

This year the Rotary sponsored exchange student is Johanna Kattelus from Finland. She arrived in New York in August, and before joining us toured New York City.

When asked her impression of the Reservation, Johanna replied, "everyone is really nice." She enjoyed being a prompter for the senior play, wrestling matches, football games, and communication arts class, which she said was different from anything she ever had before.

During her stay Johanna resided with the Lichtenfels, Sleeks, Thomas', and Snyders. Before returning to "Ikola Kp.4; 62375 Ylihärmä, Finland" she is touring the states for a month with a group of exchange students from across the U.S.

Maple Princess Crowned

The 1981 CT Maple Princess Pageant got off to a rousing start January 10, 1981, as the 9 contestants opened the show with an energetic song and dance routine entitled "Maple Leaf Rag." WCRO's Chuch Bender served as Master of Ceremonies and had the privelege of announcing Diane Mishler as this year's Maple Princess. Barb Steck, last year's princess, crowned the happy Diane and wished her luck in the county competition.

Activities

Icicles, Shining Knights And A Big Castle Set Scene For Sophomore Christmas Dance

"Enchanted Ice Castles" was presented by the Sophomore Class on December thirteenth from eight to eleven. The CTHS gym was turned into a romantic castle, and the air was filled with music provided by Windjammer.

The Sophomore class did an excellent job in decorating the gym and making the annual Christmas dance a success. Pictured are: Jim Rullo, Sophomore Class President; Chris Naugle, Secretary; and Mrs. Leech, their advisor. Other officers are Lisa Donitzen, Vice-President; and Treasurer, Pam Marsh.

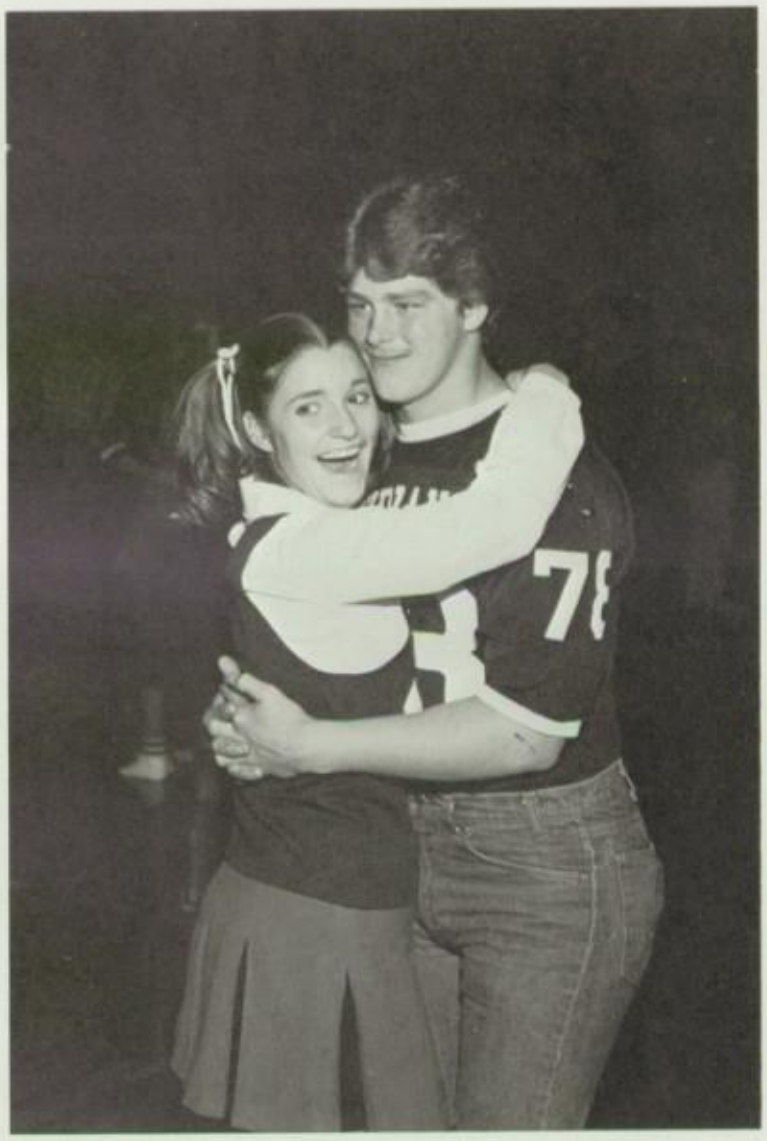
Bonfire "Fires Up" Indians

The traditional Spirit Week at the Reservation began "movin' on" October 6th with student councils providing weeklong activities and contests. Monday was Hat and Tie Day; Tuesday, Swinging 50's; Wednesday, Wild West Day; Thursday, School Colors; and Friday, Number Jersey Day.

Senior football members lit the bonfire Thursday night as the band played showing their support and enthusiasm. Speeches by Coach Badaczewski and team captains preceded the announcement of the 1980 Homecoming Court. Members of the court include Lisa Burkey; Jodi Horner; Diane Mishler; Marcia Weaver; and Laynie Williams, Homecoming Queen. A dance featuring Satrycon, sponsored by the Senior High Student Council, was held in the gym after the bonfire.

Friday marked the height of Homecoming Week with the game against Forest Hills. Halftime brought a special "homecoming" in which eight of the past ten queens were introduced along with a summary of their reigning year. Then Tracy Cober, last year's queen, crowned Laynie as our new queen. The final score saw the Indians on the bottom of a 0-41 score, but the Indian spirit was not defeated!

INDIANS



Presenting The Big Indian Band

TOP: The Big Indian Band poses for a formal picture.

BOTTOM LEFT: Our new band director, Mr. Faust, takes time out for a picture.

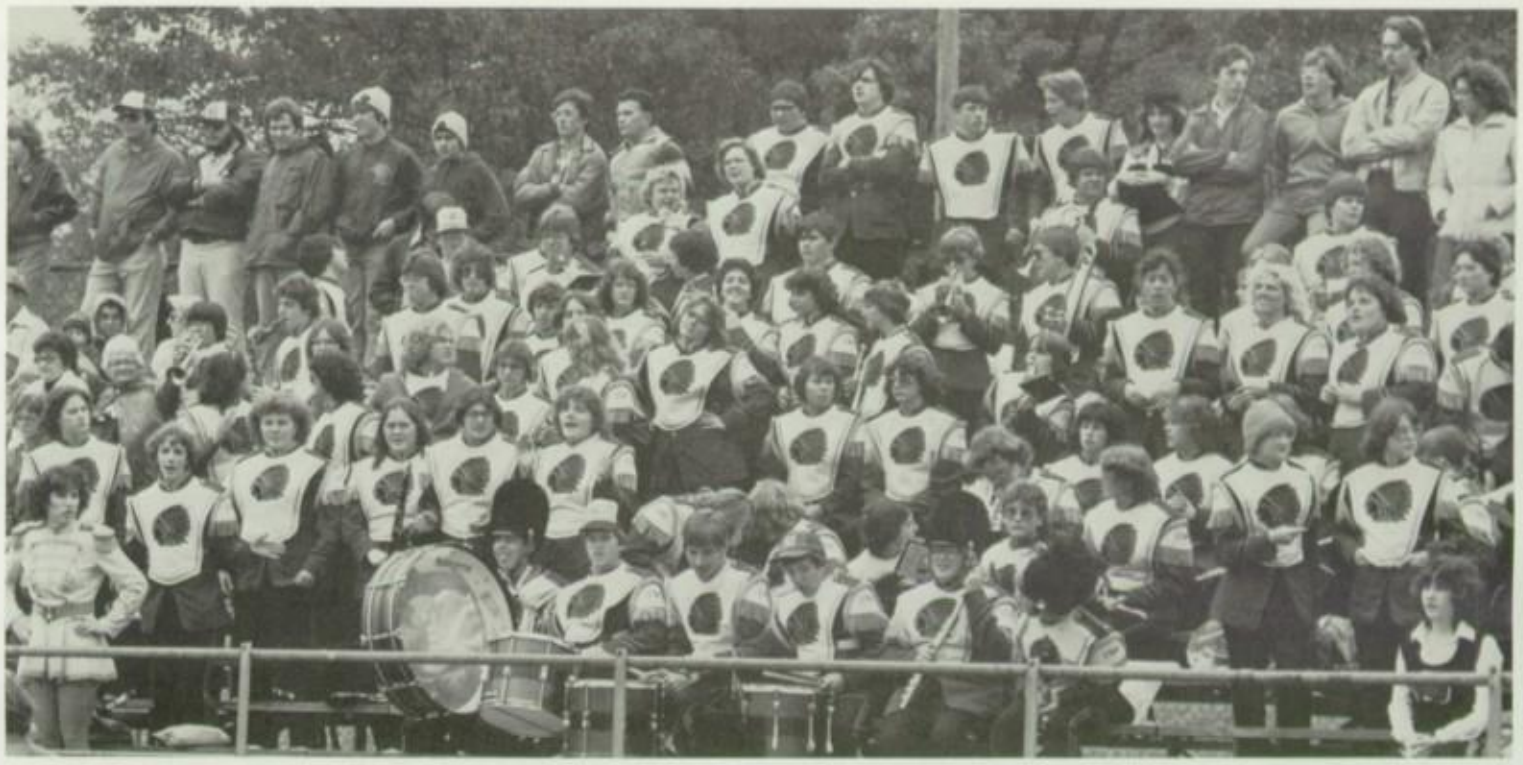
BOTTOM RIGHT- A scene from one of the great half-time shows the band performed during the year.

TOP: Band Officers are Beth Stover, Treasurer; Diane Mishler, President; Don Kauffman, Vice President; Lori Naugle, Secretary.

MIDDLE LEFT: The backbone of the band is the Class of '81.

MIDDLE RIGHT: Do you get the feeling someone's watching us?

BOTTOM: The band performs the C.T., used for pre-game, which thrilled the fans.



The marching Indians have completed a successful year under the direction of their new director, Mr. Larry Faust. As a result of the band's hard work and dedication, they were able to present three different half-time shows. Enthusiasm was evident not only in these half-time performances, but also on the sidelines cheering on the team. Adding to the appearance of the band were the color guard in their sharp new uniforms. The band also contributed music and support during pep rallies. One of the highlights of the year was placing first in the Johnstown Halloween Parade. Dressed as characters from "The Wiz" the band members "Eased on Down the Road" in their original costumes. The CT Marching Indians can be seen movin' on in various other area parades.

CT Majorettes Host Contest For First Time

On March 27, the majorettes brought home a 3rd place trophy from the 18th annual Cambria-Somerset County War Memorial Majorette Contest. They performed their very difficult routine to the music "All That Jazz" and the overture "Sweet Charity".

Then on April 25 the CT Majorettes hosted their very first contest. A lot of hard work and time went into preparing the routine and organizing the contest. Many thanks go out to all the people who helped to make the routine and contest a success, but most of all a big thanks to Margaret Blucas, majorette advisor, for putting together a winning routine.

"C.T. Magic" Comes Alive

The next squad in the final round of competition is . . . Conemaughhh . . . Township! On November 21 the table was turned as our varsity cheerleaders were on the receiving end of the fan's applause. They were participating in the annual cheerleading contest at the Cambria County War Memorial. Long hours of practice went into perfecting their original cheer, "CT Magic" and although they didn't win, their efforts got them a place in the second round of competition.

Appearing now before your eyes
With all his tricks and black disguise
It's a mystical, magical, wizard!
He's quick! He's fast!
Abracadabra . . . Alacazam
Our spirit uncovered with his command
It will capture your heart and dazzle your mind

This year the 1980-81 Sr. High Student Council was very busy organizing and planning various activities. They started off the year with a spirited bonfire dance and homecoming half-time program. During the bonfire dance a bake sale, which included soda and snack foods, was held and supported by students and faculty. Other activities included a food drive over Thanksgiving, a student exchange program throughout the year, a Christmas float entitled "Christmas List" and the annual bloodmobile program.

The Jr. High Student Council was very active this year with various activities. Besides helping the Senior High Student Council with a bake sale during the bonfire, they held a Spirit Contest the Week of Homecoming. Prizes were awarded to the homeroom who had the most people dress up for the various days throughout the week. They also sponsor the annual Jr. High Talent Show in which Jr. High Students are encouraged to display their talent. The contestants are judged and prizes are awarded to the best performers.

Staff Brings Changes To Paper

This year's Contownian Staff brought several changes to the paper. The paper was changed from a weekly to bi-weekly publication, and interested students could buy a paper for 10¢. The money raised is going into the fund for school improvements. The students were also able to participate in the publication of the paper by writing editorials or submitting happy ads. So, the Contownian this year not only served as an informer to the students but also was an asset to the school.

The 80-81 yearbook got underway with a workshop held in Indiana. There our section editors learned the basic techniques of production and picked up ideas to bring home.

The glory of the position faded when we realized there were headlines to think of, copy to write, and deadlines to meet! But, under the supervision of our advisor we pulled together and worked as a team to produce a great yearbook.

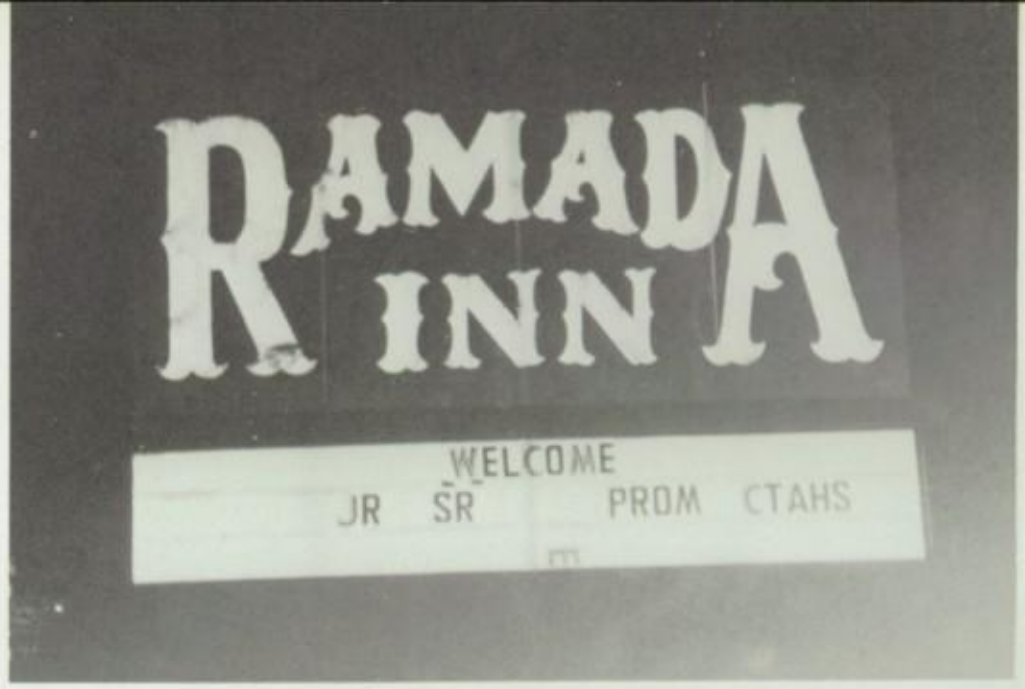
Junior Class Presents: "Somewhere in Time"



On Saturday, May 2, the Tropical Room of the Somerset Ramada Inn provided a romantic setting for the Junior-Senior Prom "Somewhere in Time". Everyone had fun dancing to music from "Scandal". The highlight of the evening was the naming of Linda Yoder and Don Kauffman Queen and King and Nadine Ruis and Bob Andrews as Princess and Prince of the Prom. The Post-Prom followed from 12:00 A.M. to 6:00 A.M. in the high school gym. A variety of activities were available including a movie, volleyball, and music from "The Phonetics.".

Pictured enjoying the evening are Senior Class Officers: Paul Baer, President; Diane Mishler, Vice-President; and Laynie Williams, Secretary-treasurer. Also pictured are the Junior Class Officers: Matt Hart, President; Jim Badaczewski, Vice-President; Cathy Andrews, Secretary; and Leann Chervenic, Treasurer.

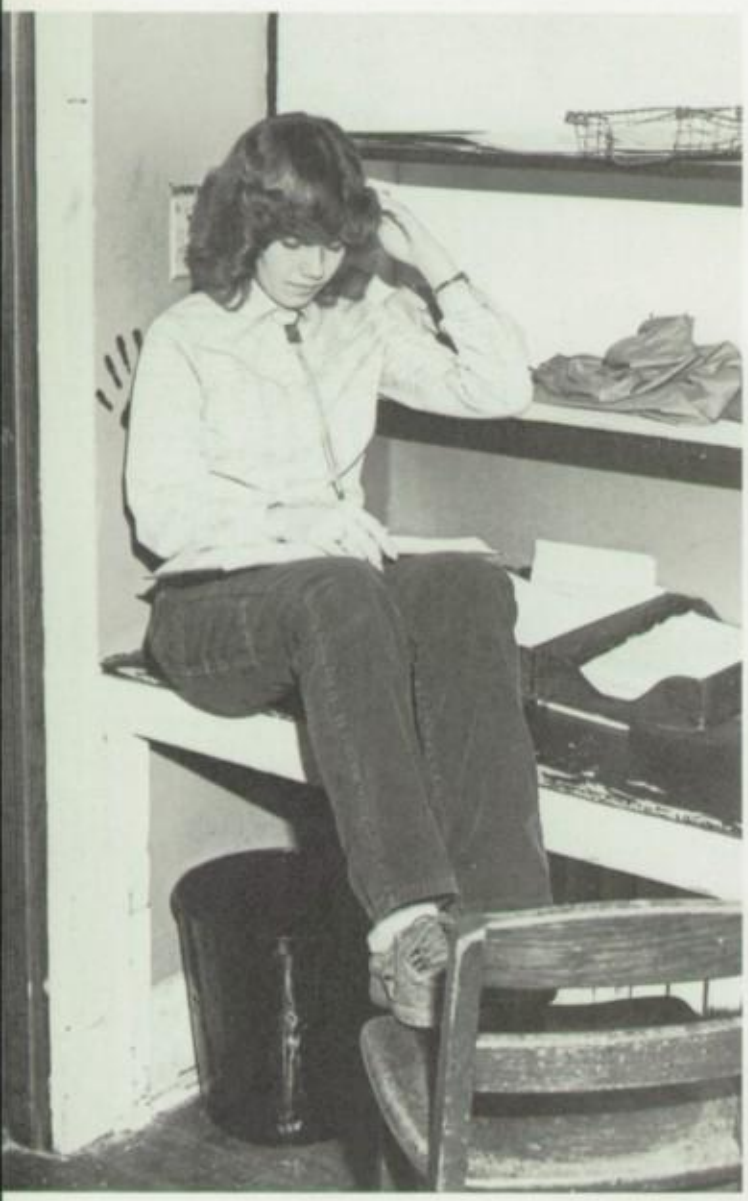
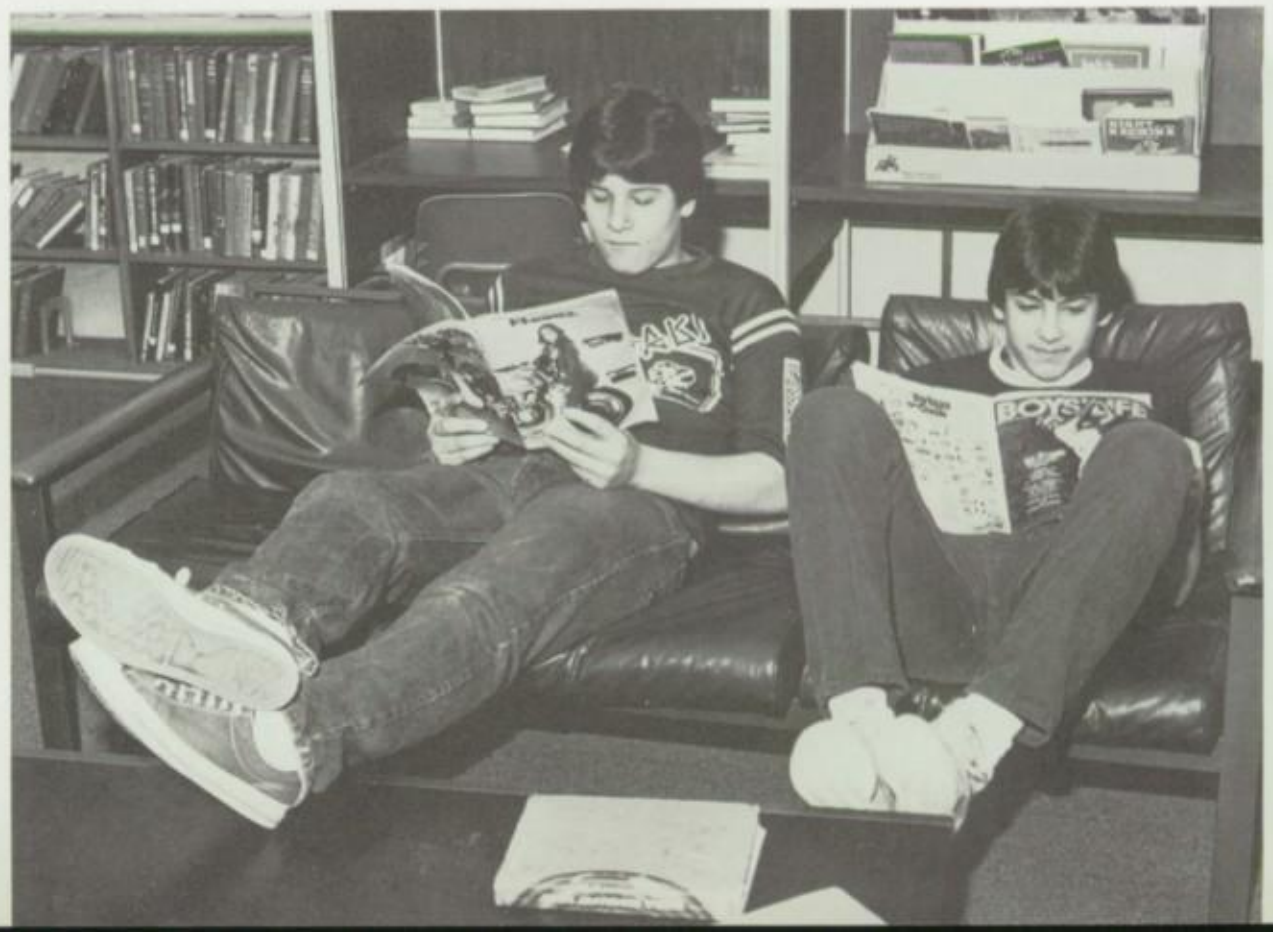
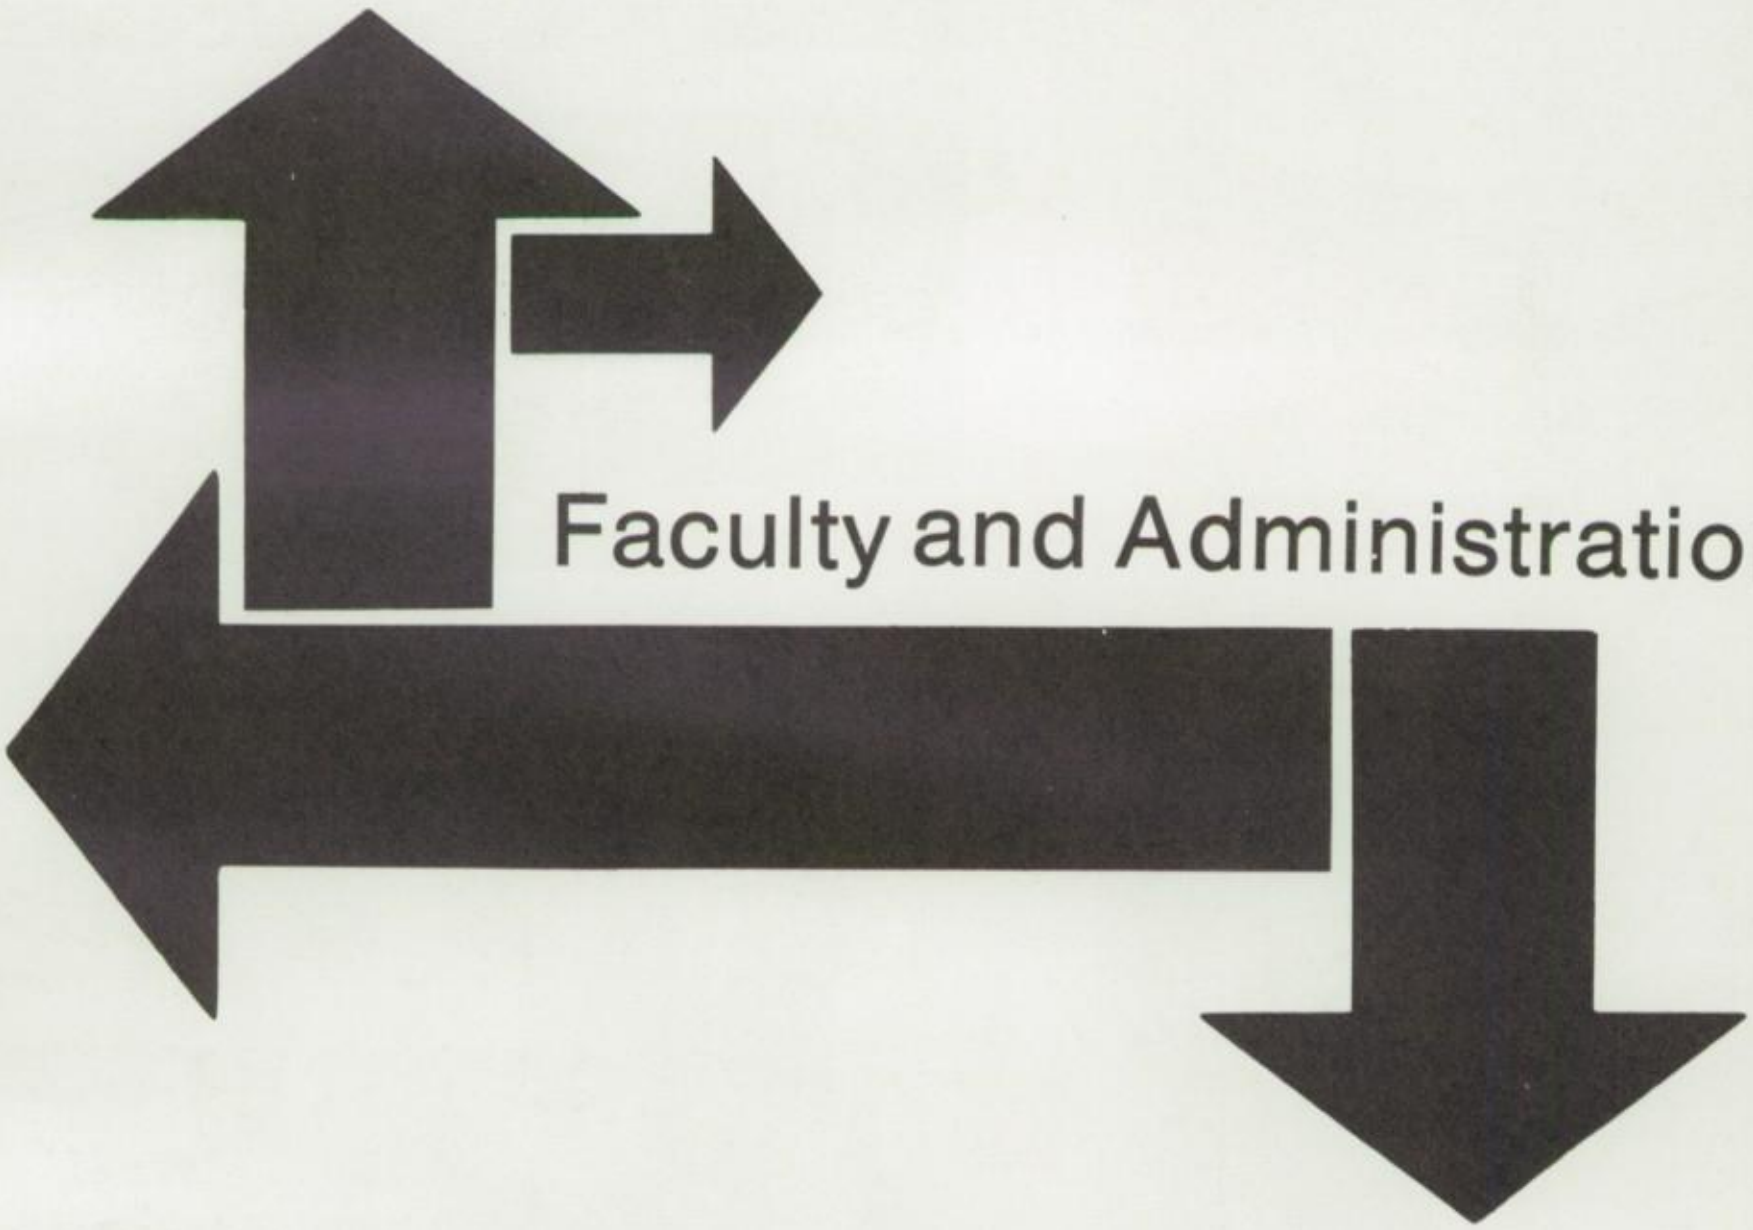
Underclassmen Preparing For Tomorrow







Faculty and Administration

Administration Concerned With Efficiency

1980-81 School Board Officers
President - Wayne Kauffman
Vice President-- Kenneth Thomas
Secretary-- Herbert Fetterman
Treasurer-- Geza Balog

Mr. James Herdman, Superintendent

SCHOOL BOARD--Seated L-R: Kenneth Thomas, Saundra Kramer, Geza Balog, Herbert Fetterman. Standing: Robert Valentine, Wayne Kauffman, William Degory, James Herdman. Absent: John Haines, Mary Wojtaszek

Mr. Eugene Podratsky, Principal

Mr. Richard Matey, Assistant Principal

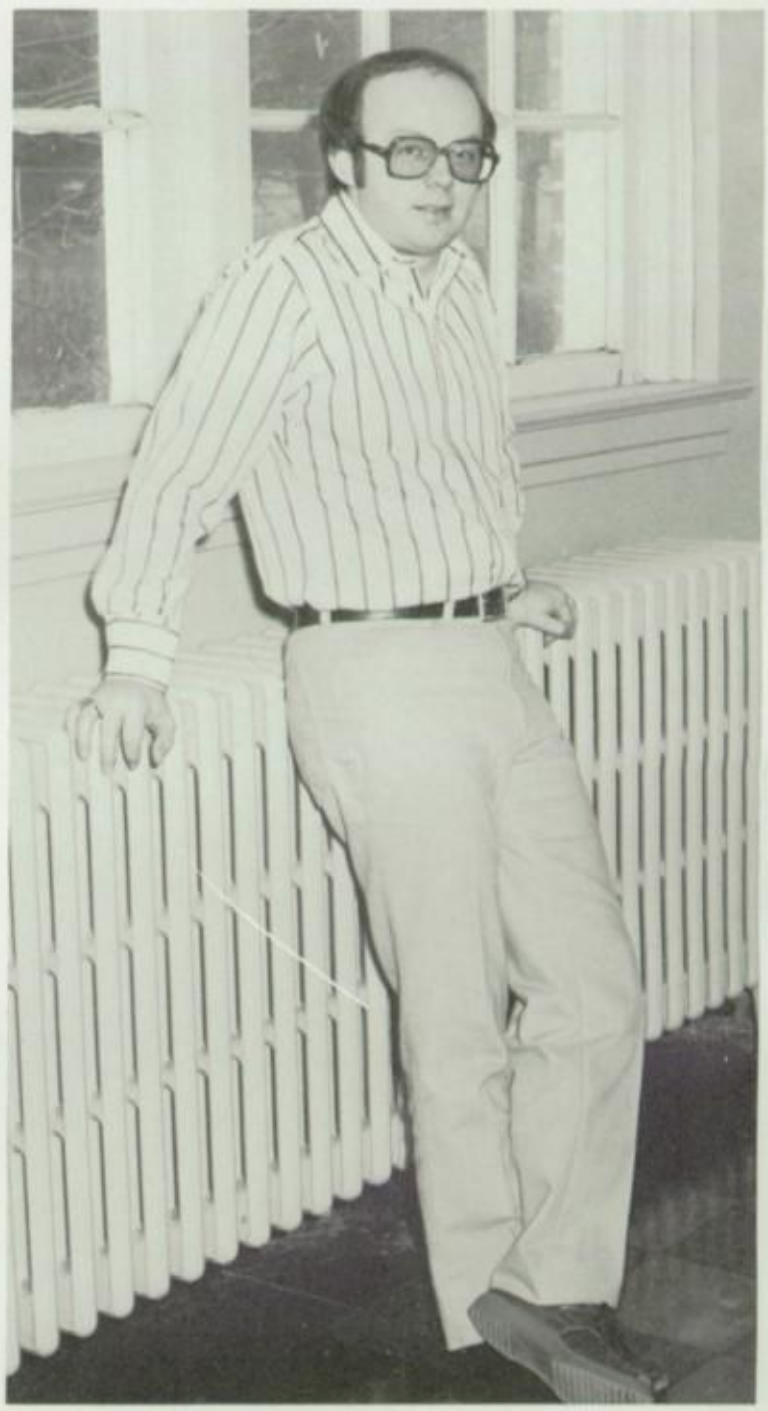
Efficiency dominated the priorities of the administration in 1980-81. In order to save more on our fuel bills and make the classrooms warmer, the school board and administration decided to convert our building from oil to natural gas heat. Another major project was the remodeling of the cafeteria to serve as a gym during after school hours for extracurricular and intramural activities. The administration also initiated a program called Scope and Sequence in order to improve curriculum coordination in grades K-12. Thanks to Scope and Sequence we enjoyed three 2-hour early dismissals.

The Future Is Now!

It was "all aboard!" as the future secretaries climbed into the bus for their tour of Cambria Rowe and Vo-Tec. This was their chance to see first hand how they could advance their skills after graduation. Our own business department prepares students in typing, shorthand, accounting, and office practice. As Mr. Volk, Mrs. Statler, and Mrs. Siehl continue to say, "Your future is now!"

Mrs. Patricia Siehl

Mrs. Margaret Statler



Mr. Jay Volk

Mrs. Sandra Kemp

Fine Arts Add Spice To Your Life

Mr. Walter Kososki

Mr. Larry Faust

There's more to the music department than meets the eye! Mr. Faust, besides directing the band on the field, instructs the Jr. High band in marching techniques and advanced music lessons. These future musicians are gaining experience for years to come.

Mrs. Kemp teaches music to upcoming vocalists. Besides directing the choir and choruses, she has short courses for seventh and ninth graders in music appreciation. They cover aspects from the European masters to our own jazz and rock styles.

In the art department, Mr. Kososki introduces his classes to all areas of art and then helps to develop the creative potential of all his students. They are encouraged to explore as many mediums as possible, ranging from macrame to pottery, and jewelry to basic drawing and painting.

Have You Chosen Your Career Yet?

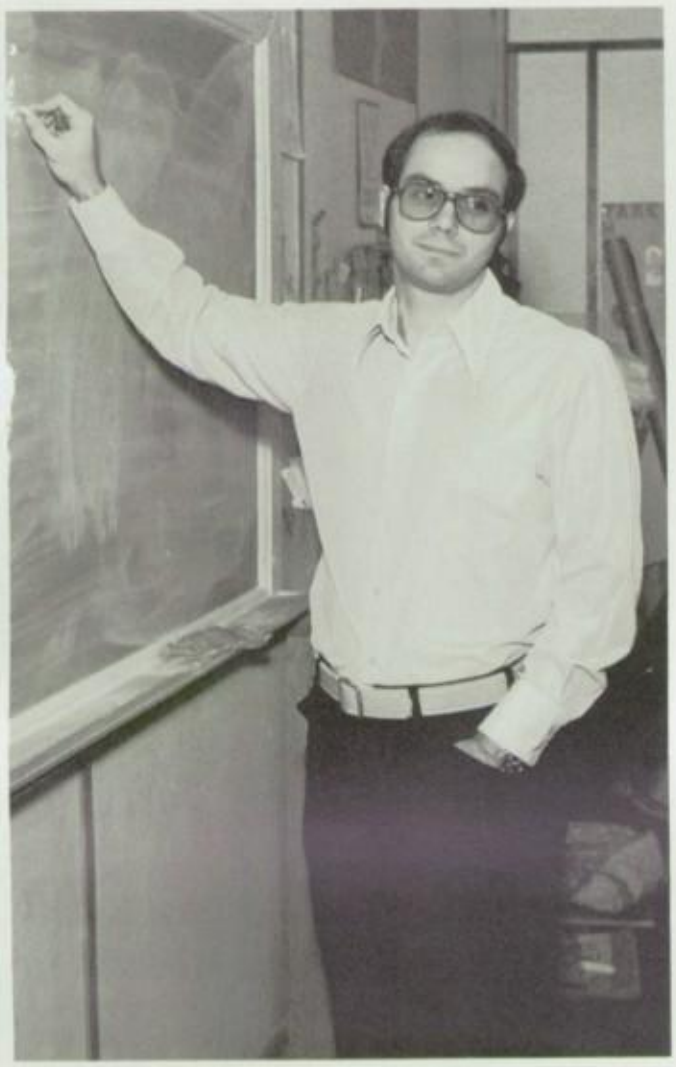
Mrs. Barbara Korhut

Mrs. Mary Clark

Everybody needs guidance sometime. Guidance counsellors help students make up their yearly schedules. They are always preparing the students for college or a career by helping them prepare for the ACT and SAT tests. To further help the students plan ahead, this year they created a resource room where students can find all the information they need to know about college and careers. Mrs. Korhut, Mr. Brown, and Mrs. Clark are also great people to talk to whenever students have personal problems.

Mr. Tom Brown

Get In Shape
The Phys. Ed. Way



Mr. Curtis Garland - Health & Driver's Education

Mrs. Catherine Ickes - Physcial Education

Mr. Joseph Badaczewski - Physical Education

In this day and age teenagers face many problems. That is why the C.T. health department likes to prepare its students by having guest speakers come into health classes and speak on such problems as drugs and alcohol. Mr. Garland also takes advantage of instructional television, films, and filmstrips in presenting various health related topics.

We are living in a world that is spending its spare time jogging and getting into shape. And what better place to begin than in the C.T. gym. Thanks to Mr. Badaczewski and Mrs. Ickes our students are developing sound bodies as well as sound minds.

Plan Ahead

By Preparing Now

Home economics helps students prepare for home life. Students are taught the fundamentals of cooking, sewing, and home care. Both male and female students are given a chance to cook meals and sew their own clothes in this very important and practical part of the curriculum.

Creativity Abounds In Shop

The industrial arts program at C.T.H.S. helps build the mechanical and carpentry abilities of its students. Students have the opportunity to design and construct their own ideas. A new shop program was initiated this year where students may elect to take part in a 3 year, 3 period a day program studying plumbing, electricity, woodworking, and blueprint reading and then moving on to house design, masonry, metal, welding, and autobody.

English Short Courses on Endangered List!

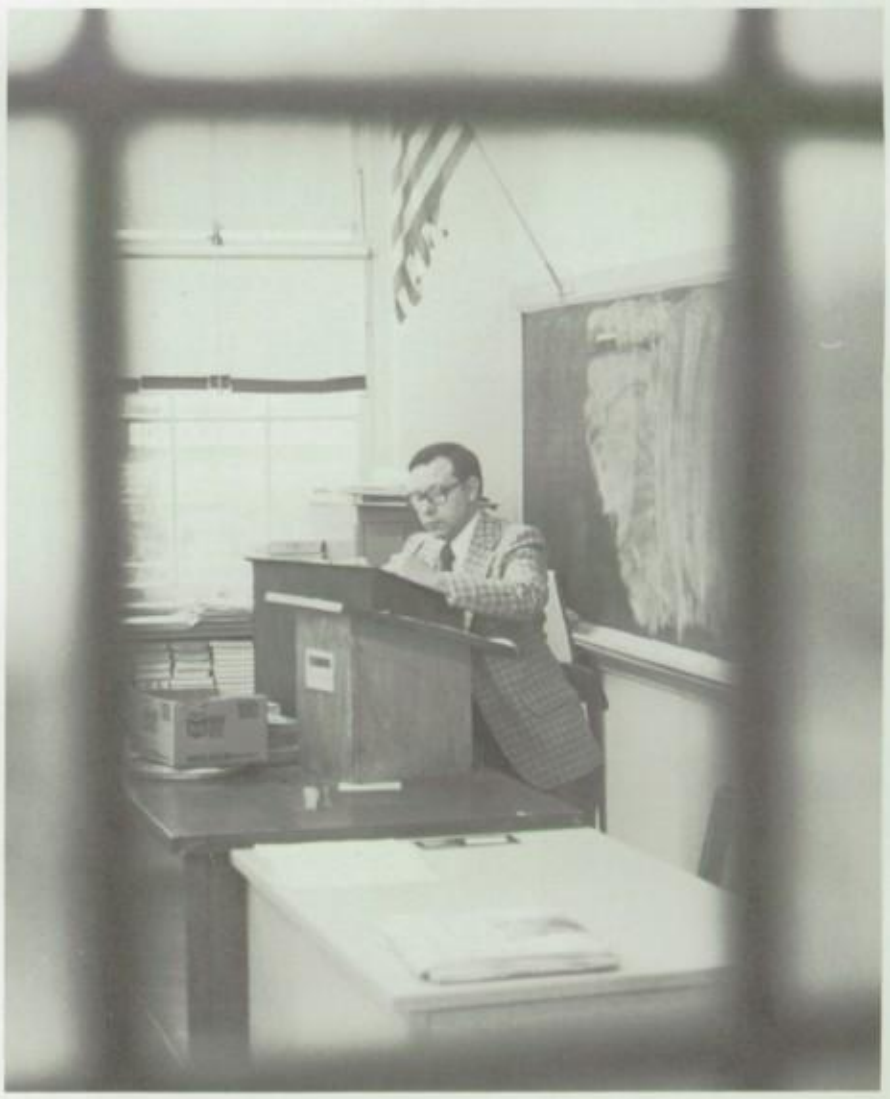
Mrs. Ann Kogut

Mrs. Georgeanne Freeburg

Dr. Mary Ann Tighe

Mr. Tom Bianco

ABSENT: Mr. James Vizzini



Mr. Joseph Salko

Mrs. Joyce Leech

Mrs. Pauline McFeaters- French

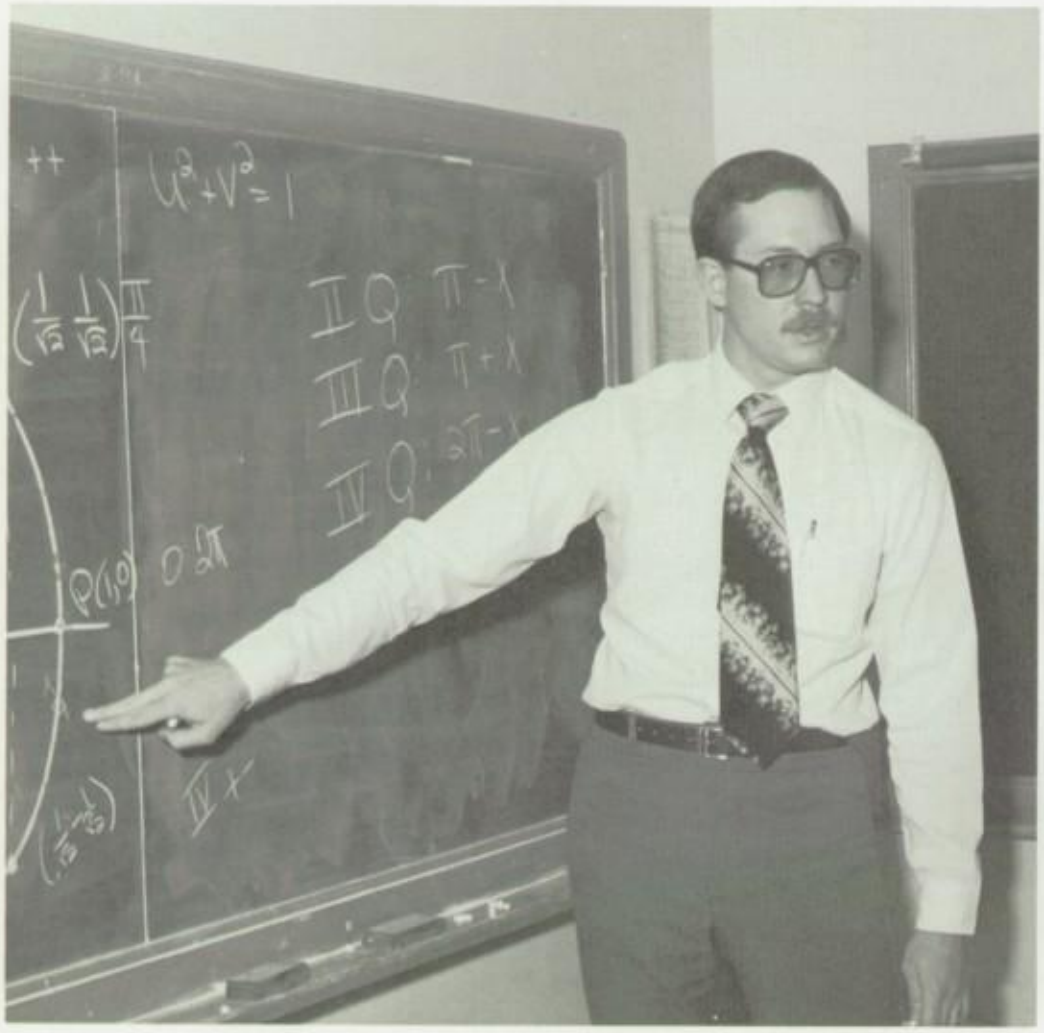
The English courses are really hiking along at a good speed. Special classes are offered for the junior high and tenth grade students identified as "gifted." College prep. courses are also in the English curriculum. Armed with 3x5 cards, members of Mrs. Freeburg's research paper class stormed the U.P.J. and Cambria County libraries this year in search of information. This class is going to be one of the few remaining mini-courses offered next year in the English curriculum. "Them English courses is being dumped; cause some kinda tests, show them there kid's ain't gettin' learned all the proper english skills thems supposed to."

Miss Diane Owatt- Librarian

Mrs. Linda Drusak- Spanish

Have you ever walked down the hall and passed someone speaking in a very strange language? If so, don't call your nearest immigration officer! It's probably just an escapee from a French or Spanish Class. These "foreigners" are easy to spot, just look for someone with a shirt saying: "Je parle Francais, la langue d'amore," or "El español número uno." Not just anyone can wear these little classics! These shirts are just one of the many tactics the ring leaders, Señora Drusak and Madame Mac use to teach the language and customs of the mother countries.

Math Dept. Goes Computer!



Mr. Rodney Kendig

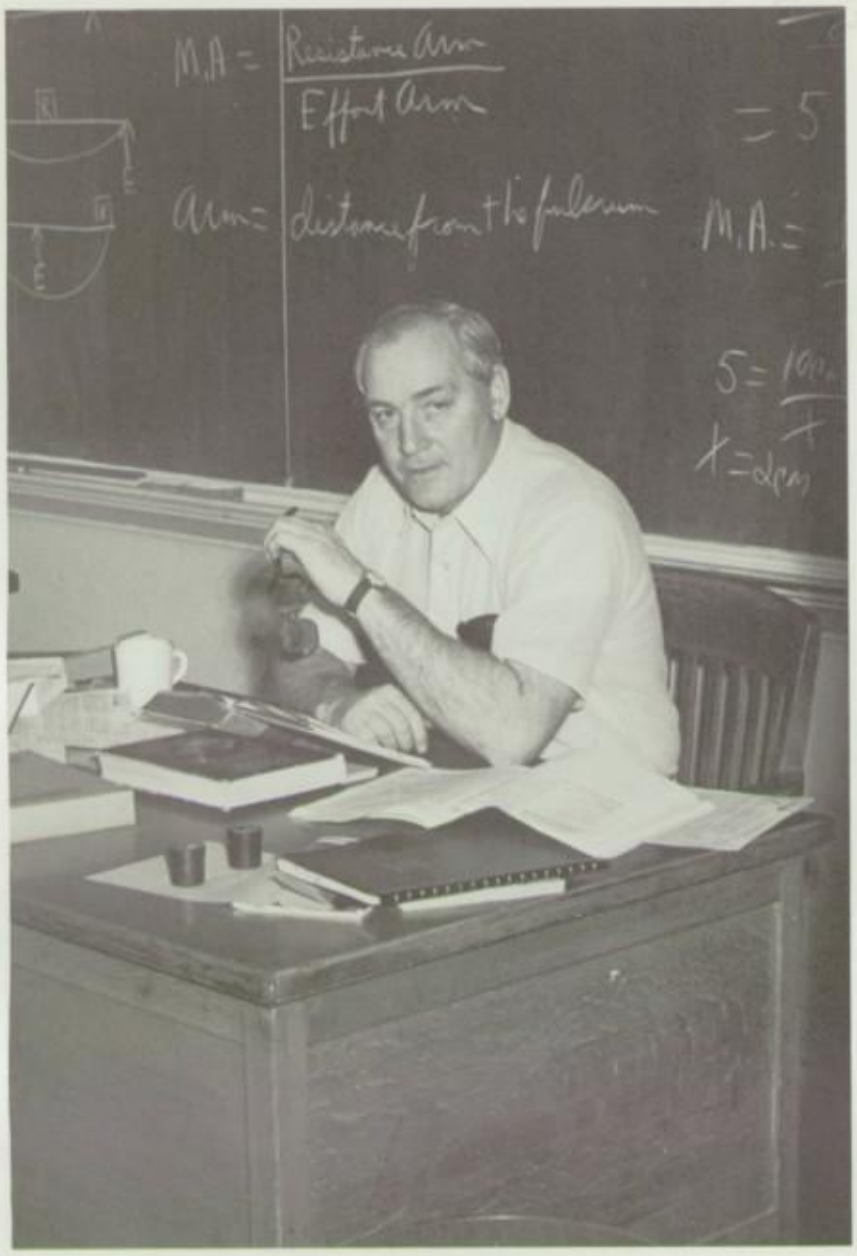
Mr. Michael DeBiase

Miss Patricia Grzybicki

It's finally happened! Calculators and computers have taken over the school! 5 new TRS-80 computers have 8 students and their instructor, Mr. Ricotta mesmorized. Students in Mr. Kendig's calculus and math analysis classes find themselves attached to their pocket calculators. Students did find time to tear themselves away from their battery operated learning devices to attend the annual math day lectures and demonstrations at UPJ.

Mr. Santo Ricotta

Anatomy Students Go "Oinkers" Over Fetal Pigs!



Mr. David Michaels

Miss Vanessa Risch

Mr. James Hemphill

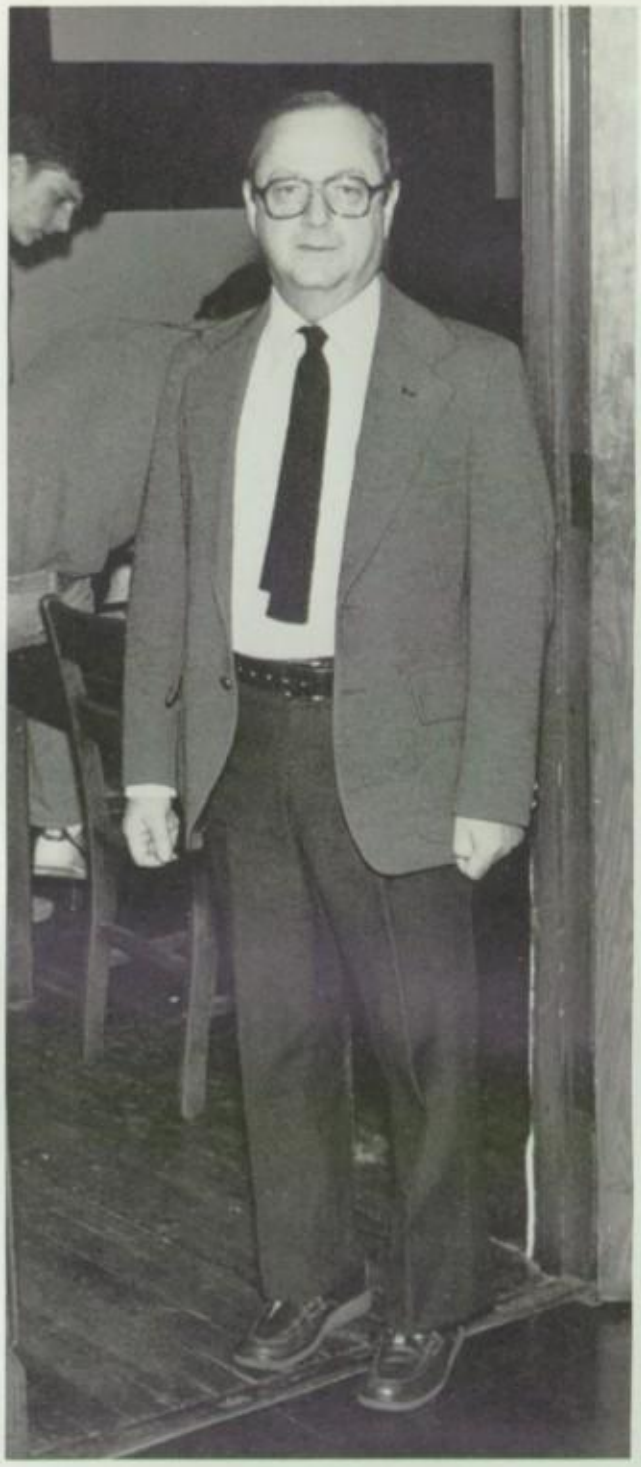
Coffee Club

With eleven different courses for students in grades 7-12 to choose from, our local scientists can be found looking at amoebas with Mr. B, balancing equations in Chemistry, identifying birds in field biology, operating on fetal pigs in anatomy or generating electricity in physics. And just for the record, Doc. H. said that his genetic's program is the best there will ever be.

Absent: Mr. Art Williams

Social Studies Classes Travel Through Time

Mr. Barry Horne



Mr. Henry Long

Traveling through time from the Egyptian Pyramids to the shores of the Delaware River and back to the return of the 52 hostages in Iran, we travel through past events to our present society in our social studies classes. Returning to the present, all social studies classes had a mock election in which Ronald Reagan won the presidency. In the future here at Township there will still be the Annual Court House and Municipal Building Tours. As more exciting events happen they'll be recorded as history, and our social studies dept. will keep right on with the changing times!

Special Services Available

Miss Paulette Solomon - Resource Room Instructor

Mrs. Jenny Shank - Remedial Reading

The resource room is a special area where Miss Solomon, the special education instructor, and her aide, Mrs. Kutchma, become involved with their students. Students assigned to this room take advantage of classroom instruction, individual tutoring, and may also listen to audio tapes of their textbooks. Emphasis here is placed on the ability to comprehend.

A student's ability to read, listen, and understand is very important to the remedial reading teacher, Mrs. Shank. Her role is to help 7th grade students read and understand what they've read in preparation for the fast moving years to come.

Mrs. Mary Kutchma - Resource Room Aide

Mrs. Margaret Thomas - Secretary

Mrs. Nancy Thomas - Nurse

Miss Lois Williamson - Secretary

Mrs. Lisa Stevens - Secretary

Working Hands Keep School Moving

Working and helping hands can be found throughout the school. Our first stop in search of these hands is in the main office where the secretaries, Lois Williamson and Margaret Thomas, are found answering telephones, typing away, and involved in many other tedious and hectic jobs. As we adventure down the halls we find Nancy Thomas, the school nurse, there when you need her, always ready to administer first aid. Our last stop is in the Superintendent's office where Mr. Herdman's secretary, Lisa Stevens, is keeping on top of administrative paper work. All these working hands keep our school "movin on."

Do You Know The People Behind The Scenes?

Ruth Keim - Business Manager

Jean Gindlesperger - Guidance Secretary

Gloria Grose — Business Secretary

Linda Lafferty - AV

Do you know who is busy working behind the scenes? Our business manager Ruth Keim and her bookkeeper Gloria Grose are busy ordering supplies and equipment, paying bills, and getting the pay checks out. Linda Lafferty and her student aides are the people behind the A.V. scenes. They can be found maintaining the equipment and getting it to class on time and also ordering and delivering films. And what would we do without Jean Gindlesperger in the guidance office! She is also responsible for school banking and guidance paper work.

Is It Soup Yet?

COOK: (L-R)— Mary Stahl; Minnie Barkley; Shirly Garland; Betty Dimauro; Head Cook; Jean Wolfhope, substitute; Thelma Weible; Gloria Smith; Jean Rohde, Manager.

DISHWASHERS: (L-R)— Dorothy Lampell, Linda Tresnicky, Chris Wood.

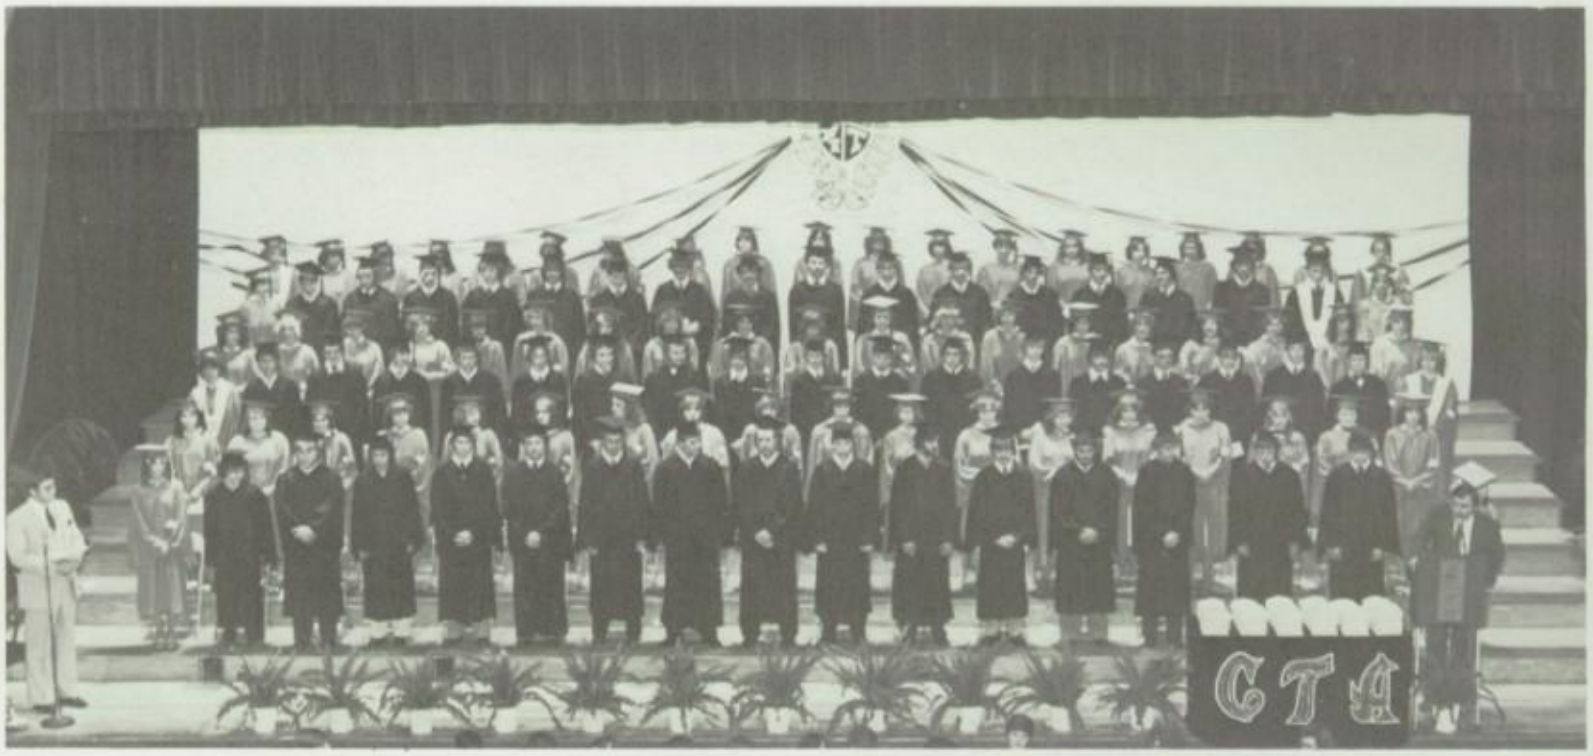
MAINTENANCE STAFF: Ron Gindlesperger and John Figard.

MAINTENANCE STAFF: Cliff Harman and Ron Gindlesperger.

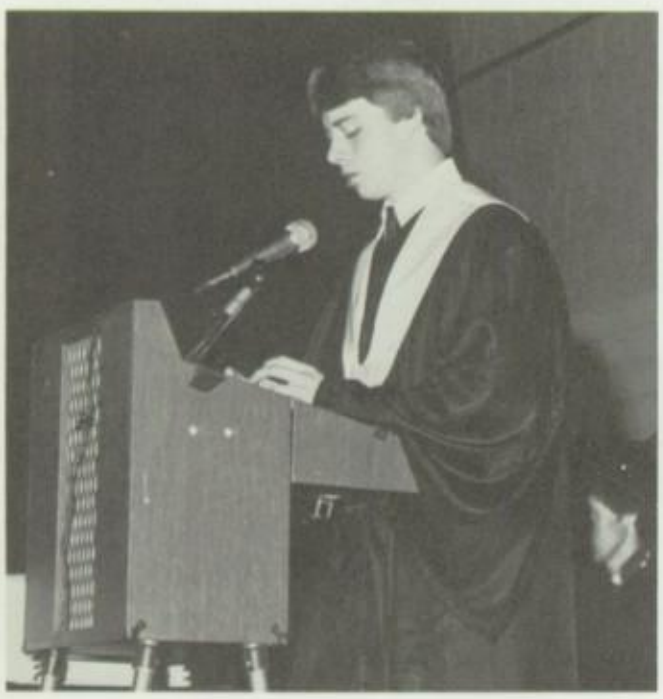
Did you know on pizza day our cooks prepare 74 trays of pizza or 1,480 slices? When the 1080 cinnamon rolls are baked, students still clamor for more. How many pounds of hamburger go into sloppy joes? Try 130 pounds. Boy do you guys eat a lot!

It was hard to gather the maintenance staff together for pictures since they're scattered throughout the building and grounds keeping the Reservation spic and span. Absent from the pictures are: Roger Birkhimer, Geraldine Horner, Frances Kadilac, John Kornprobst, John Mock, Pete Yuschick, and Alice Miller.

Seniors Movin' On to A Bright Future



The 43rd Annual Commencement exercises were held Thursday, May 28, 1981, ending six memorable years and beginning many years of different memories for the graduating seniors. The program started with the invocation offered by Senior Class President Paul Baer, followed by a solo by Scott Kimmel and a medley by Richard Krassnoski, Marcia Weaver, and Beverly Clark. A bassoon solo was also presented by Lori Naugle. The class heard talks centered around the theme "The Road Not Taken" which was introduced by Bev Clark. Patti Griffith took the class through some memories with her talk on "Yesterday" Renee Thomas spoke of "Today" and some paths for "Tomorrow" were revealed by Jim Kleinmeyer. Mr. Podratsky presented the diplomas and congratulations from Mr. Herdman. After the graduated seniors sang the alma mater, Paul Baer gave the benediction. Congratulations Class of '81.



Graduation 1981

As we come to the conclusion of this chapter in the story of our lives, we move on to begin another. New doors will be opened to us, and new friends will be made to replace the ones we must leave behind.

Don't look on this time as an ending, but as a new beginning. We have left our mark here, and now must go forward and make a mark in the world. We're alway's ⇨ Movin' On!

I would like to thank the following people who, with their patience and hard work, have made this yearbook possible:

- *Miss Diana Owatt, whose guidance and dedication brought us through all the rough times*
- *Mr. Bernie Magirl, our Walsworth representative*
- *Mr. James Volk, business staff advisor*
- *Cover Studios*
- *Scholastic Pictures*
- *Mr. Walter Kososki, Art advisor*
- *The faculty and administration at CTHS*

Best Wishes,
Bev Clark, Editor
